

## FIFA World Cup Stadium Augsburg – Arrival by car and bus

The FIFA World Cup Stadium in Augsburg is best reached via autobahn A8. Leave the autobahn at the Augsburg-West exit, merge onto B17 and follow the road south towards Landsberg. The way to the FIFA World Cup Stadium Augsburg is indicated on signs with a  symbol. Take the exit " Arena" off B17 and follow the signs from there.

From the south the FIFA World Cup Stadium Augsburg can be reached best via B17. Also exit the highway at the exit " Arena" and then follow the road signs.

The sign "P Berechtigte" [authorized parking] refers exclusively to visitors who have a valid parking permit. All other visitors please follow the signs "P PKW" [car parking].

If the parking spaces directly by the stadium are insufficient, a dynamic parking guide system will alert visitors that they should use the parking spaces by the Messe trade fair. A shuttle bus runs to the FIFA World Cup Stadium Augsburg from there on a regular basis.

The same directions apply to busses as to cars. After exiting highway B17 please follow the signs "P Busse" [bus parking].

Enter the exit "B17 / Bürgermeister-Ulrich-Strasse" in navigation systems.
